Professionally Speaking, Inc. Invites Jason Smith of Midland Communications to Present at The "Profitable Practices: Attorney Marketing, Management, and Networking Conference"

DAVENPORT, IA — May 8, 2007 — Midland Communications, an industry leader in business communications, announced today that Professionally Speaking, Inc. invited Jason Smith, the company's vice president, to present at the "Profitable Practices: Attorney Marketing, Management, and Networking Conference". The much-anticipated conference will take place on June 22-23 at the Hyatt Regency Hotel in St. Louis.

Professionally Speaking, Inc. provides quality continuing education opportunities to a variety of professionals. Seminars and classes are conducted online and via teleconference as well as at convenient and comfortable locations. Dynamic, knowledgeable and well-respected speakers make up the faculty of every educational event sponsored by Professionally Speaking. Whenever practical and possible, the organization's courses qualify for relevant continuing education credits.

"It is truly an honor to present on a variety of topics impacting today's business professionals," said Mr. Smith. "It has been a

mission of our senior management team to share our expertise, industry and business experience, and better practices with entrepreneurs that want to enhance their skill sets and take their companies to the next level. I'm looking forward to sharing the stage with a number of extremely talented individuals."

ABOUT MIDLAND COMMUNICATIONS

Midland Communications began more than 56 years ago in 1946 as the Worldwide Marketing Arm of Victor-Animagraph Projectors. In 1977 a communications division was formed due to a partnership with NEC America. Today, As a distributor of NEC America, for 26 years, Midland Communications has a customer base of more than 3,000 satisfied customers that include general businesses, government agencies, Universities, colleges, hospitals, and hotels.

Midland provides a wide range of communication services including PBX and key systems, Wide Area and Local Area networking, computers,

TeLANophy integration, voice mail, CCIS, and video conferencing and P.A. systems. Our philosophy is simple, provide quality products at a fair price, backed by an average emergency response time of twenty minutes, and the best service in the industry.
